

TRUSS PLACEMENT DIAGRAM

Dimensions shown 0-0-0 are in Feet-Inches-Sixteenths

All dimensions shown are to face of stud / truss U.N.O.

Please see separate individual design drawings for all information pertaining to the individual truss/structural components shown on this placement plan.

Please refer to the BCSI "Handling, Installing, Restraining, & Bracing of Trusses" summary sheets included with the jobsite package for important additional information.
